

June 2025

Dear Parent

Year 9 examinations

A key part of our approach to supporting your child in achieving their potential is to formally assess their progress at regular intervals. For year 9 students this will happen during an examination fortnight beginning **Monday, 16th June 2025**.

Assessments will take place in the main school hall for all subjects with paper-based exams. This setting will allow students to experience and prepare for formal examination requirements and protocols which are required from students at GCSE. Practical based subjects will be completing their formal exams during their timetabled lessons across the two-week period. Please encourage your child to write these additional assessments into the schedule below.

Year 9 students' homework over the coming weeks will be to revise thoroughly in preparation for these exams. Subject teachers will be providing students with specific guidance regarding revision in their subject area. The results of these assessments will be published to parents by Wednesday 16th July.
